

## **VISION**

Northshore Forest Inc. will be recognized, through resource stewardship and long term planning, as a leader in responsible, progressive and sustainable forest management.

## **MISSION**

Northshore Forest Inc. will manage the forest to ensure the long-term health and sustainability of the resource while maximizing its contribution to the businesses and communities that depend on the Northshore Forest.

## **MANDATE**

Northshore Forest Inc.'s mandate includes:

- Planning, managing and executing the forest management programs required to sustain the forest on the Northshore Forest SFL.  
\_\_\_\_\_
- Undertaking all forest management planning, data collection, record keeping, reporting, monitoring, silviculture and other related responsibilities and obligations of the sustainable forest licensee on the Northshore Forest SFL required by the Minister of Natural Resources or required pursuant to the Crown Forest Sustainability Act.  
\_\_\_\_\_
- Representing the forest management interests of Northshore Forest Inc. shareholders regarding the Northshore Forest SFL.  
\_\_\_\_\_
- A commitment to comply with the Principles and Standards of Forest Stewardship Council® (FSC®) certification for the length of the current forest management plan, to protect and maintain the integrity of the forest in the long term.

President  
Northshore Forest Inc.
